### Preface

The purpose of this Electronic Luganda-English-Arabic Dictionary is to make the learning of Arabic Language easy for Luganda-English speakers at advanced level. It also expands Luganda Language and vocabularies so that Luganda-English speakers can understand it, also because it is used as a tool and systematically comparable with the use of world developed languages.  
Then, the accuracy and maintenance of Luganda language and culture is secured. The development of this Advanced Learner's Luganda-English-Arabic Dictionary by applying Arabic derivative morphology was made feasible in three books: (i) by using Arabic words that exist in Luganda language with Arabic origin and never changed; (ii) the Arabic Language easy for Luganda-English speakers; (iii) by using Arabic words that exist in Luganda with Arabic origin but changed; and (iv) by using typical Luganda.  
The whole dictionary is composed of 15,000 entries. This dictionary is composed of three important sections: (a) general introduction, (b) main section of the dictionary (c) conclusion and (d) Appendix of Arabic words that exist in Luganda language with Arabic origin and never changed.  
The method of word search used in this Dictionary is the method of alphabetical order by Luganda main entries. Whether the letter (a) comes before the letter (b) and the letter (c).
